

Our Growing CARE TEAM

Daniel J. Kaser, MD
Reproductive Endocrinologist

"My goal is to help my patients, regardless of barrier, become parents in the most compassionate, evidence-based, and personalized manner possible."

Jonathan Kort, MD
Reproductive Endocrinologist

"My philosophy is, treat patients like family and make sure no question is left unanswered or concern unaddressed."

Dana McQueen, MD
Reproductive Endocrinologist

"I truly have the best job: growing families! My patients are some of the most resilient, motivated, and courageous individuals. I can't imagine a more rewarding career."

Scott J. Morin, MD
Reproductive Endocrinologist

"I feel so fortunate to partner with my patients to help them achieve one of their most important goals in life – starting a family."

Martha Noel, MD
Reproductive Endocrinologist

"Fertility treatment is complex, and communication is key, I make sure I am accessible to my patients, supporting them through this process with hope, compassion and empathy."

Meredith Fisher, WHNP-BC
Nurse Practitioner

"Caring for people wanting to grow their families is such an intimate journey to be on with patients. This is the definition of meaningful work!"

Nancy Poon, MSN, NP-C
Nurse Practitioner

"I love the Bay Area, and I'm so honored to be part of the fertility team at RMA, caring for patients and doing this meaningful work – it's so important to me."
